

About Us

Established in 1955, the Association of Minnesota Emergency Managers (AMEM) is comprised of over 460 county, city and other emergency response and planners throughout the State of Minnesota. The association strives to develop a solid network of experienced Emergency Management professionals; foster and advocate the development of procedures and programs which advance disaster preparedness throughout Minnesota; ensure a high caliber of training and professional development; and cultivate a professional society for its' members.

Our Motto

“Leading Minnesota Readiness”

Our Mission

AMEM is a network of professional emergency managers dedicated to advocating and advancing effective emergency management capabilities and practices statewide.
