PUBLIC SAFETY CONSULTING

GRAND RAPIDS, MN

Plan. Train. Exercise. Repeat

About

Paramount Planning is a public safety consulting company located out of Grand Rapids, MN. The company provides a wide array of planning, training and exercise development services as well as organizational enhancement through grant management, strategic planning, administrative and other technical assistance. Paramount Planning has 5 full-time employees that specialize in a range of areas including Emergency Management, Law Enforcement, First Response, Human Rights, Tribal Government and more. The company is proud to count many cities, tribes, counties, and industries as partners across the Upper Midwest, primarily in Minnesota. At the end of the day, the company strives to deliver tailored, unique, and high-quality products to each client based on prevailing standards and incorporating localized needs.

Company Background

Founded: 2015

President-Owner: Blain Johnson

Headquarters: 104 NE 3rd Street, Ste. 200A, Grand Rapids, MN 55744

Employee's: 5 Full-Time

Paramount Planning has been providing local, regional, and state public safety services to clients in the upper Midwest since 2015. It was founded on the principal of developing tailored and unique projects that do not simply sit on a shelf or are 'one-and-done', but can actually be utilized and referenced before, during, and after disasters to enhance response actions.

Paramount Planning is headquartered out of Minnesota and understands the threats and needs across our state. Paramount also has worked for and alongside many public safety agencies; experience we can bring to your project and one of the most important qualities in planning for emergencies.

Let us start working on your next project: Yes, planning can be fun!
